BOARD AND GENERAL MEETING MINUTES

The last board meeting was spent primarily on sending out the billing letters.

It was brought up that there should be a yearly inspection of the Port Captain's residence, the board felt it should be at least 2 board members or club officers to be responsible for the inspection. Will be further discussed to be put into the SOP's

At the general meeting, Bob reported that the club withstood all the high water and no water made it to the parking lot. The port captain's house was inspected and there are a few items that could be fixed by the club, but looked good otherwise.

Richard Garcia was voted in as an honorary member.

Next month at the Feb. 5 general meeting, UCD biologists will be speaking about the health of the Delta. They will specifically talk about the fish populations in our area. They will also talk about the saltwater fish populations. A good meeting to attend!

The terrible hyacinths situation during the past year was brought up, the claw works but people need to step up, learn how to use it and donate some time to help clear

out the hyacinths. It is a yearly problem that is difficult and expensive to tackle.

It was brought up that it would be nice to put upcoming agendas for the board and general meetings in the reminders of the meeting. We will try, but often do not know what will be discussed beforehand.

Marc Stevens lost \$190. By not being present for the poker chip drawing.

DINNERS

The Christmas dinner was a huge success. Thanks to Charlie, he was a great Santa. Thanks to Sherman and Matt for doing the cooking. Thanks to all the participants, the potluck sides and desserts were great.

The January Commodores dinner will be on Jan. 17. Dana will be grilling N.Y. steaks. He will also have twice baked potatoes, cooked carrots, salad, and dessert. Commodores if you could please RSVP (707-592-4395) to let us know you are coming. WE will be taking general reservations beginning on Sunday Jan 11. There will be a strict cut off of 125 so get your reservations in.

Thanks to Terry and his buddies for stepping up to do the Feb. 21 dinner.

FISH DERBY

The last fish derby of the year was held on Dec. 6. Bob had 13 diners enjoying his fantastic breakfast. `10 people participated in the derby. John Kett won the small slot with a 4lb 2 oz. fish and Manny Bettencourt won the large with a 6 lb 12 oz fish. Both won \$50.00. With the current high water, there are no derbies planned for the near future.

REMINDER – you must have your dues in to the club by the Feb. 4 general meeting. You may pay at the meeting. If we do not receive your dues we will assume you no longer wish to be a member of the club. After receiving all the dues, the board will meet on Feb. 12 and finalize the membership roster and will determine the number of new members to add to the club. Letters will be sent out to the prospective new members.
