BOARD AND GENERAL MEETING MINUTES

At the October 29th Board meeting, Matthew Rosenburg introduced prospective new member Dennis Riesche and Jovani Figueroa introduced prospective new member Evan Vineyard. Our current wait list is 20. At the November 5th general meeting, the membership approved the following nominations; Dan Calestini – Commodore, Dana Hooper – Vice Commodore, Andrew Poarch – Rear Commodore, Larry Nixon – Director and Fred Vanderwold – Director. Steve Pasley volunteered to assume the Co-Workday Chair position, thank you Steve! A reminder that November 14th is the last scheduled organized workday and all work days are to be completed by November 30th. All members are required to complete (2) workdays (8 hours total) each year. Unfulfilled workday(s) will be assessed $200 per workday in addition to the $100 annual dues. Additionally, all new members must attend (2) General Membership meetings during the year (last General Membership meeting is December 3rd). Per the SOP's: **December:** Membership dues shall be assessed and billed as soon as possible after the December Board meeting held the second Thursday of the month. **January:** non-payment of dues and any delinquent fees not received by the February General membership meeting are cause for membership termination. **February:** The February Board meeting on the second Thursday of the month will finalize the membership roster, and determine the number of new members invited into the club from the waiting list. Bottom line, take care of your business and don't wait until the last minute.

KITCHEN CHAIR

Larry said Danaca Flores put on a fantastic Carnitas dinner that was well received, thank you Danaca! The November 21st dinner will be sponsored by Bob Lord and will feature his legendary smoked pork loin, baked potato, salad, beans, rolls and dessert, don't miss it. Charles Yelton was nominated as our November Volunteer of the Month, great job Charles, thank you for what you do for our club! Tyson Meitner lost out on $90 when his poker chip was drawn.

PURSER'S REPORT

Pam said we are doing very well with our income and investments per her report. The October dinner, bar, boat storage and other forms of income did very well. The membership voted and approved the financial report. Pat Negroni will be compiling 2027 - 2099 Tide Tables available on a USB flash drive for sale for $3 - $5. Text Pat at 530-304-9804 if you are interested in buying one, thank you Pat! Bob Lord said the October Fishing Derby was a huge success. There were 44 diners for breakfast and 30 fishermen. Jim Mayoral won the small slot with a 6.6 pound fish (target 6.8) and Michael Howard won the large slot with a 9.3 pound fish (target 11.5). Both fishermen won $150 each, great job guys! The next Fishing Derby will be on November 28th. Bob said he was sorry to inform everyone that his breakfast price will increase from $5 to $10 but is still worth every penny. I guess we can blame the price increase on the tariffs, right Bob? Bob also completed some projects which included fixing the waste vent in the woman's bathroom, switching one of the doors on the woman's bathroom toilet stall to swing out instead of inward, and had a work crew repair areas of the dock that needed attention. Thank You Bob for what you do for our club. The General membership also voted and approved to increase the amount for the purchase of a new tractor to $32,000. We are still in need of a Santa Clause and Christmas will be here before you know it so someone step up!!

Since it is Thanksgiving month, I am sure we all have our own memories that we are “Thankful” for regarding this Dixon Boat and Fishing Club. Some of those memories are of those who were dear to us who have passed on, and the days and times spent with them at the club. My favorite memory is spending the night in the club house 60 years ago as a Cub Scout and our whole Cub Scout pack was “boated” around the Delta by boat club members the next day. Happy Thanksgiving everyone. FR

During the summer of 1863, when the country was in great excitement growing out of our civil war, our patriotic and loyal citizens thought it advisable to organize a military company. Many were more than anxious to enroll themselves as soldiers, subject to the call of the State. The company was speedily formed, under the laws of California, and enrolled as a company of the State Militia, receiving the name of “Maine Prairie Rifles.”
